BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD**

In the matter of Application Serial No. 85/688,876

Published in the *Official Gazette* on July 23, 2013

Mark: BOM-B-GONE

OMS Investments, Inc.,)	
)	
Opposer,)	Opposition No. _____
)	
)	
v.)	
)	
Elise Sophia Paulson)	
)	
Applicant.)	

NOTICE OF OPPOSITION

OMS Investments, Inc., a corporation organized and existing under the laws of Delaware, with an office at 10250 Constellation Boulevard, Suite 2800, Los Angeles, California 90067 (“Opposer”), believes it will be damaged by registration of the mark BOM-B-GONE as shown in Application Serial No. 85/688,876, and hereby opposes its registration pursuant to 15 U.S.C. §§ 1051 *et seq.*, including specifically 15 U.S.C. § 1063.

This Notice of Opposition has been timely filed. As grounds for its opposition, Opposer alleges as follows:

1. Upon information and belief, applicant is individual Elise Sophia Paulson, P.O. Box 1226 Turner, Oregon 97392 (“Applicant”).
2. As evidenced in Application Serial No. 85/688,876, Applicant seeks to register the mark BOM-B-GONE for “Disposable cleansing wipes impregnated with cleansing compounds for cleaning bird droppings, bugs and other soilings on automobiles” in International

Class 003, and for “Disposable cloth cleansing wipes for cleaning bird droppings, bugs and other soilings on automobiles” in International Class 021 (the “Applied-For Mark”).

3. Opposer, through its predecessors in interest and affiliates, has used in commerce its family of B GON marks, since at least as early as 1945. Over the years, the famous and distinctive B GON marks have been used on and in connection with, animal, including bird, pest control products, insecticides, herbicides, and a variety of other lawn and garden products. Opposer owns several federal trademark registrations incorporating its B GON marks as reflected in the following representative registrations (“Opposer’s Marks”):

Mark	Reg. No..	Goods/Services
B GON	4,268,320	International Class 5: Pesticides, insecticides, herbicides, fungicides and animal repellents
BIRD-B-GONE	2,562,771	International Class 6: pest repellent devices. International Class 19: pest repellent devices
BIRD·B·GONE & Design	2,658,355	International Class 6: Spiked barrier for bird control.
BRUSH-B-GON	1,301,169	International Class 5: Pesticide-Namely, Herbicide.
BUG-B-GON	2,073,033	International Class 5: insecticides for home and garden use.
BUG-B-GON	4,198,679	International Class 5: Pesticides, insecticides for domestic use
BUG B GON MAX	2,907,105	International Class 5: insecticides for home and garden use
GRASS-B-GON & Design	1,995,777	International Class 5: pesticides and herbicides for home and garden use
WEED-B-GON	0,903,317	International Class 5: HERBICIDES
WEED-B-GON	2,088,157	International Class 5: herbicides mixed with fertilizers for domestic use
BUG B GON MAX	2,980,869	International Class 5: herbicides, insecticides, fungicides, miticides, pesticides, and molluscicides, all for domestic use
SQUIRREL-BE-GONE	3,095,944	International Class 21: Bird feeders and bird feeder accessories, namely, squirrel baffles
WEED B GON MAX	3,061,002	International Class 5: Herbicides for domestic use

Mark	Reg. No..	Goods/Services
WEED B GON PRO	3,285,498	International Class 5: Herbicides for horticultural use
WEED B GON PRO & Design	3,290,291	International Class 5: Herbicides for horticultural use
DEER-B-GON	4,400,454	International Class 5: Animal repellant used to repel deer and other ruminant animals and rabbits
DISEASE-B-GON	4,091,513	International Class 5: Fungicides
MOLE B GON	4,372,812	International Class 5: Animal repellents
MOSS B GON	4,143,490	International Class 5: Pesticides, herbicides

True and correct copies of the electronic records for these registrations printed from the United States Patent and Trademark Office's ("USPTO") Trademark Applications and Registrations Retrieval ("TARR") online database are attached hereto as Exhibit A. Each of the registrations noted above were issued on the Principal Register and are presently in full force and effect. Notably, Registration Nos. 2,562,771; 2,658,355; 1,301,169; 2,073,033; 2,907,105; 1,995,777; 0,903,317; and 2,088,157 are incontestable.

4. Opposer's Marks are valid and distinctive.

5. Opposer has expended and continues to expend substantial time, money and effort in advertising and promoting Opposer's Marks to identify itself as the source of its goods and services, such as in newspapers, magazines, sponsorships, and through nationally broadcast television and radio commercials. As a result, Opposer's Marks are some of the most recognizable and valuable brands in the lawn, garden and horticulture industry. Moreover, due to the national, and indeed, worldwide consumer recognition of Opposer's Marks, consumers have come to recognize "B GON" as also symbolizing the goodwill inherent in Opposer's Marks, and further, associate "B GON" solely with Opposer and its line of high quality products.

6. No issue of priority exists with respect to Opposer's first use of one or more of Opposer's Marks as set forth above and the Applied-For Mark. Opposer has used, promoted and

advertised its goods and services under one or more of Opposer's Marks in commerce for over 68 years, since at least as early as 1945. Conversely, Applicant alleges only an intent to use the BOM-B-GONE mark in commerce, which means that Opposer has priority over Applicant with respect to the Applied-For Mark.

7. The Applied-For Mark is confusingly similar to Opposer's Marks because it is similar in appearance, sound and commercial impression, pursuant to 15 U.S.C. § 1052(d). Among other things, the Applied-For Mark contains the distinctive component "B GON," which is a prominent element in Applicant's mark and which is identical to the famous and distinctive "B GON" element in Opposer's Marks. As a result, the Applied-For Mark shares a similar commercial impression with Opposer's Marks, thereby creating a risk of consumer confusion. Specifically, consumers may believe, incorrectly, that the Applied-For Mark is an extension of Opposer's family of B GON marks. The likelihood of confusion between the Applied-For Mark and Opposer's Marks is further exacerbated because the goods to be sold under the Applied-For Mark are closely related to the products sold under Opposer's Marks and there is likely to be direct overlap in the parties' marketing, trade channels and targeted consumers.

8. Given the goodwill and public recognition arising from the association of Opposer's Marks with Opposer, consumers are likely to believe that Opposer has licensed, approved or otherwise authorized Applicant's use of the Applied-For Mark when it has not.

9. Applicant's use and registration of the Applied-For Mark will also cause dilution by tarnishment and dilution by blurring of Opposer's famous marks, whose fame is well established. Therefore, any future use of the Applied-For Mark by Applicant is prohibited by 15 U.S.C. § 1125(c).

10. The maturation of Applicant's application into registration will cause a likelihood of confusion, mistake or deception with respect to the source or origin of Applicant's goods. Consumers will erroneously believe that Applicant's goods are produced by or associated with, Opposer.

11. In summary, registration of the Applied-For Mark would be incorrect and improper in view of the requirements of the Trademark Act of 1946, as amended, including specifically but not limited to, the provisions of 15 U.S.C. §§ 1051, et seq.

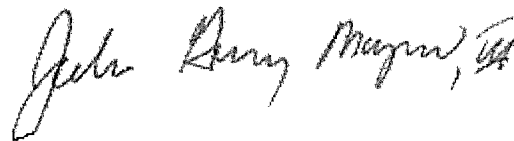

WHEREFORE, Opposer prays that this Opposition be sustained, and that registration to Applicant for the mark BOM-B-GONE as shown in Application Serial No. 85/688,876 for the goods identified in International Class 003 and International Class 021 be denied.

Opposer submits this Notice of Opposition via the e-filing procedure of the Trademark Trial and Appeal Board ("the Board"), and hereby advises the Board that it may debit the Deposit Account No. 083436 of Hunton & Williams LLP for the appropriate filing fee.

Dated: November 20, 2013
